? What does it mean?

✓ Included Service

We pay benefits towards overnight and same day hospital accommodation, intensive care and medical services where a Medicare benefit is payable.

Medibank has arrangements with most private hospitals and day surgeries in Australia - these are known as Members' Choice hospitals. You'll generally get better value if you go to one of these providers.

If you're treated at a non-Members' Choice private hospital, we'll generally pay lower benefits and you may incur significant out-of-pocket expenses.

Where you're treated as a private patient in a public hospital, we'll pay benefits towards overnight and same-day accommodation in a shared room. If you have a private room in a public hospital, we may pay an additional amount towards this, but the hospital may still charge you an out-of-pocket expense.

Hospital cover does not pay towards cosmetic treatment that is not medically necessary.

Common and Support services

There are a number of Medicare Benefits Schedule (MBS) items that will also be included to support the services under this cover where a benefit is payable. These may include items like in-hospital consultations and some scans, tests and anaesthetics that are associated with your hospital admission.

- For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.
- * Your hospital cover does not include non-PBS drugs. We will only pay towards cancer-related surgery where that surgery is an Included Service under your cover.
- ^ For Dental surgery performed by a dentist rather than a medical practitioner we only pay benefits towards hospital charges. If the surgery is performed by a medical practitioner and Medicare benefits are payable, we will pay benefits towards the hospital and medical charges.
- + For Podiatric surgery we only pay benefits towards hospital charges. There are no Medicare benefits payable for podiatric surgery. This means we also don't pay any benefits towards the podiatric surgeon's fees under Hospital cover and you could incur significant out-of-pocket expenses.

? Things you need to know about your Hospital cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services or lower your excess. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service.

Accident Waiting Period Waiver.

Where a 1-day or 2-month waiting period applies to a service or treatment under your Hospital cover, it may be waived for claims resulting from an Accident that occurred after joining this cover.

Waiting periods				
1 day	Ambulance services.			
2 months	Hospital psychiatric services, Rehabilitation and Palliative care.			
2 months	Hospital treatment for conditions requiring hospitalisation that are not deemed pre-existing conditions.			
6 months	UltraBonus.			
12 months	Pre-existing conditions An ailment, illness or condition that, in the opinion of a Medical Practitioner appointed by Medibank, the signs or symptoms of which existed at any time in the 6 month period ending on the day on which you became insured under the policy or changed your cover.

	Continuous Positive Airway Pressure (CPAP)-type devices.			

Excess.

No excess is payable on this cover.

👸 UltraBonus.

This bonus, which is applied to the membership, is topped up each year on 1 January and any unused UltraBonus will be added to the following year's amount. Please note, a 6-month waiting period applies.

To find out more about the UltraBonus, call us on 132 331.

Making the most of your Hospital cover.

Go to a Members' Choice Hospital.

Medibank has arrangements with most private hospitals and day surgeries in Australia, so you generally get better value for Included Services if you go to one of these providers.

To find your nearest Members' Choice hospital, visit medibank.com.au/memberschoice

Members' Choice hospitals are subject to change from time to time and are not in all areas.

Private Room Promise.

If there isn't a private room available at a Members' Choice hospital, you may be entitled to receive \$50 a night, for up to five nights per stay.

The following conditions apply to the Private Room Promise:

- · You'll need to request a private room from the Members' Choice hospital at least 24 hours before your stay;
- You must provide supporting documentation to Medibank from the hospital about this request;
- You must be eligible to receive benefits for the treatment you received during your stay;
- Does not apply for same-day admissions or admissions for sleep studies, or where your doctor specifically requests a shared room for clinical reasons.

GapCover - How to reduce your in-hospital medical out-of-pocket expenses.

Medibank's GapCover is designed to help eliminate or reduce your out-of-pocket expenses for in-hospital doctor's charges.

Where your doctor decides to charge more than the MBS fee (the set government fee), you will be left with an out-ofpocket expense, commonly referred to as the 'gap'.

Doctors can choose to participate in GapCover on a claim-by-claim basis.

Check upfront with each doctor involved if they'll participate in Medibank's GapCover for each claim as part of your treatment, to help reduce your out-of-pocket expense. Out-of-pocket expenses may still apply.

It's important to know GapCover doesn't apply to diagnostic services. See your Member Guide for more information.

Choice of treating doctor or specialist.

You can choose your doctor or specialist when you're treated in hospital as a private patient.

Medical devices and human tissue products.

For an Included Service, we'll pay the minimum benefit as listed in the Australian Government's Prescribed List of Medical Devices and Human Tissue Products.

Travel and Accommodation.

We pay benefits for travel and non-hospital accommodation related to an eligible hospital admission. Travel benefits are payable where the patient must travel more than 200km return. Accommodation costs are limited to \$50 per night and travel costs are set at \$0.15 per km. The total combined benefit payable for travel and accommodation is \$100 per admission. Conditions apply, refer to your Member Guide.

Continuous Positive Airway Pressure (CPAP)-type devices.

Up to \$500 benefit per member every 5 years towards the hire or purchase of an approved device. Conditions apply, refer to your Member Guide.

Health support that never sleeps.

Medibank health insurance members can talk to a registered nurse or mental health professional at no extra cost. Chat over the phone or online with 24/7 Medibank Nurse Support and 24/7 Medibank Mental Health Support. Call 1800 644 325 or chat online using My Medibank.

= Some referred services may involve out of pocket costs and waiting periods may apply.

The Making the most of your Extras cover.

Members' Choice extras providers.

Through our Members' Choice network, you'll generally get better value for money with capped rates and a percentage back on what you're charged. With a non-Members' Choice provider, you'll generally get back a Fixed Amount for that service regardless of the provider's charge. As long as the provider is a Medibank recognised provider, benefits are payable for services or items included under your cover.

Get more value at Members' Choice and Members' Choice Advantage providers.

How do orthodontic benefits work?

Your orthodontic limit starts with an opening balance which you can access after your 12-month waiting period.

Every year on 1 January after this waiting period, the balance is topped up with an additional amount up to the maximum lifetime limit.

^{*} Benefits will only be paid towards dental and orthodontic treatments that are administered in person (not via phone or online), by a recognised provider.

[#] Medibank will pay benefits towards pharmacogenetic tests for all conditions. Benefits will only be paid towards pharmacogenetic tests administered in-person, or for approved home kits where supporting documentation from a medical practitioner outlining the clinical purpose is supplied.

Things you need to know about your Extras cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Annual limits.

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year. A combined limit is an annual limit that applies to a group of services and/or items.

Lifetime limit.

This is a once-only limit that isn't reset each year. When you reach this limit, you can no longer claim that benefit again, even if you change your cover.

Fixed Amount.

This is the amount we'll pay towards the cost of an Extras service or item if you visit a non-Members' Choice provider. It will generally be lower than the amount you would receive when you visit a Members' Choice provider. The amount of the Fixed Amount depends on the cover you hold and the type of service or item you receive.

Benefit restrictions.

The Benefit Replacement Periods on your cover are shown below. A Benefit Replacement Period is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it.

Benefit Replacement Periods are separate to waiting periods.

Service category	Items	Benefit Replacement Period	
Health appliances and external	Wigs, hip protectors and insulin delivery pens	24 months	
prostheses	Other health appliances and external prostheses	36 months	
Blood glucose monitors and blood pressure monitors	Blood glucose monitors and blood pressure monitors	36 months	
Breathing appliances	Nebulisers, peak flow meters and spacing devices		
Major dental	Dentures, crowns and bridges		
Hearing aids	Hearing aids	60 months	

Additional limitations such as service restrictions (clinical reasonability rules) may apply to some individual dental items and services.

Limits also apply to how often you can claim on some extras services. For example, you can only claim on one mouthguard per person, per calendar year.

Please contact us on 132 331 before your treatment.

Helping you live better.

Use Members' Choice Extras providers.

Medibank has arrangements with providers for some (but not all) services - these are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage providers are part of our Members' Choice Network and you may enjoy even better value when you need to use eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.
