Here's a summary of the services and treatments we pay benefits towards on your cover. Please read it and keep it somewhere safe for future reference. The Making the most of your Extras cover.

Members' Choice extras providers.

If you visit a provider from our large Members' Choice network you'll generally get better value for money. This means you can take advantage of capped rates. When you visit a non-Members' Choice provider, you'll generally receive a lower benefit for those services. As long as the provider is a Medibank recognised provider, benefits are payable for services or items included under your cover.

Get more value at Members' Choice and Members' Choice Advantage providers.

100% back on up to 2 check-ups each year at Members' Choice dentists and this doesn't count towards annual limits.

\$ Members can claim a maximum of two 100% back dental check-ups per member, per year either at a Members' Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a Members' Choice dentist (excluding x-rays), or a combination of both. These check-ups do not count towards annual limits.

Included extras.

Here are the Extras services you can claim for, along with the limits and waiting periods that apply.

It's important to know that the benefit we pay for services or items is likely to be less than your annual limit and less than your provider's charge, which means you may have out-of-pocket expenses to pay.

? Things you need to know about your Extras cover.

Members' Choice providers.

Medibank has arrangements with providers for some (but not all) services - these are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage Extras providers are part of our Members' Choice Network and you may enjoy even better value when you need to use eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.

Find your nearest Members' Choice provider at medibank.com.au/memberschoice

Non-Members' Choice providers.

These are extras providers recognised by Medibank but with whom we don't have an agreement.

Transferring from another health insurer.

You may not need to re-serve waiting periods if you transfer within two months. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Lifetime limit.

Once you've reached this limit you can no longer claim that benefit in any future year of membership, even if you change your cover.

Waiting periods.

A waiting period is a period of time you need to wait after taking out your cover before you're entitled to receive benefits for services or items included under your cover. You're not able to receive benefits for any items or services you might have obtained while you are serving a waiting period or before you joined Medibank.

Annual limit and sub limit.

An annual limit is the maximum amount of benefits payable for an extras service, particular groups of extras services or items within a calendar year (i.e. 1 January – 31 December). The benefit is paid for a particular item or service within an overall annual limit

Where the annual limit increases, it will increase on 1 January, up to the maximum limit. The first increase will be applied only after you've served one full calendar year of membership.

A sub limit is a maximum amount you can receive on an annual basis (or within other defined periods of time) for a particular item or service within an overall annual limit. Benefits are paid per person per calendar year unless otherwise shown. For more information call us on **131 680**.
