My Choice Extras Core 75

Here’s a summary of the services and treatments we pay benefits towards on your cover. Please read it and keep it somewhere safe for future reference. For a better understanding of how your cover works refer to your Member Guide, which is a summary of our Fund Rules and policies, or call us on 132 331.

Making the most of your Extras cover.

Members’ Choice Extras providers.

Through our Members’ Choice network, you’ll generally get better value for money with capped rates and a percentage back on what you’re charged. With a non-Members’ Choice provider, you’ll generally get back a Fixed Amount for that service regardless of the provider’s charge. As long as the provider is a Medibank recognised provider, benefits are payable for services or items included under your cover.

Get more value at Members’ Choice and Members’ Choice Advantage providers.

100% back on up to 2 check-ups each year at Members’ Choice Advantage dentists and this doesn’t count towards annual limits.[‡]

100% back on optical items up to your annual limit, and discounts on most lenses and lens options.[~]

100% back for kids at Members’ Choice providers.[#]

100% back on a mouthguard each year, subject to your annual limits and capped prices.

[‡] Members can claim a maximum of two 100% back dental check-ups per member, per year—either two check-ups at a Members’ Choice Advantage dentist (including up to two bitewing x-rays per check-up where required), or a first check-up at a Members’ Choice dentist (excluding x-rays) and a second check-up at a Members’ Choice Advantage dentist. These check-ups do not count towards annual limits. Waiting periods apply.

[~] Some items excluded. A 6-month waiting period applies.

[#] 100% back for kids applies to Child and Student Dependants only, up to annual limits. Waiting periods apply.

Here are the Extras services you can claim for, along with the limits and waiting periods that apply.

It’s important to know that the benefit we pay for services or items is likely to be less than your annual limit and less than your provider’s charge, which means you may have out-of-pocket expenses to pay.

 Benefit restrictions apply.

 Members' Choice providers are available for these services only.

- [^] For ambulance attendance or transportation to a hospital where immediate professional attention is required and your medical condition is such that you couldn't be transported any other way. TAS and QLD have State schemes to cover ambulance services for residents of those States.
- ^{*} Benefits will only be paid towards dental and orthodontic treatments that are administered in person (not via phone or online), by a recognised provider.
- [#] 100% back for kids applies to Child and Student Dependents only, up to annual limits. Waiting periods apply.
- ⁺ Medibank will pay benefits towards pharmacogenetic tests for all conditions. Benefits will only be paid towards pharmacogenetic tests administered in-person, or for approved home kits where supporting documentation from a medical practitioner outlining the clinical purpose is supplied.
- [®] Benefits are payable towards the influenza vaccine only and not payable towards any other fees, including administrative fees or GP consultations. Some individuals may be eligible for free influenza vaccines under a Commonwealth or State scheme, such as the National Immunisation Program, or similar schemes. Benefits are not payable where influenza vaccines are administered under such a scheme.

Things you need to know about your Extras cover.

Waiting periods.

A waiting period applies when you join Medibank, or change your cover to include new or upgraded services. We won't pay benefits for any items purchased or services received while you are serving a waiting period.

Switching from another health insurer?

You may not need to re-serve waiting periods if you join Medibank within 2 months of leaving your previous health insurer, and you've already served the waiting period for that service. Benefits paid under your previous cover will be taken into account in determining the benefits payable under your Medibank cover.

Annual limits.

An annual limit is the maximum amount of benefits we pay towards services and/or items within a calendar year. A combined limit is an annual limit that applies to a group of services and/or items.

Fixed Amount.

This is the amount we'll pay towards the cost of an Extras service or item if you visit a non-Members' Choice provider. It will generally be lower than the amount you would receive when you visit a Members' Choice provider. The Fixed Amount depends on the cover you hold and the type of service or item you receive.

Benefit restrictions.

The Benefit Replacement Periods on your cover are shown below. A Benefit Replacement Period is the amount of time you need to wait from the date you purchase an item, before we pay towards a replacement for it.

Benefit Replacement Periods are separate to waiting periods.

Service category	Items	Benefit Replacement Period
Major dental	Dentures, crowns and bridges	36 months

Additional limitations such as service restrictions (clinical reasonability rules) may apply to some individual dental items and services.

Limits also apply to how often you can claim on some extras services. For example, you can only claim on one mouthguard per person, per calendar year.

Please contact us on **132 331** before your treatment.

Use Members' Choice Extras providers.

Medibank has arrangements with providers for some (but not all) services - these are known as Members' Choice providers. We've negotiated capped prices that Members' Choice Extras providers can charge, which generally means more money back in your pocket. You can still use a non-Members' Choice Extras provider, as long as they're recognised by Medibank, but you won't be able to take advantage of the capped pricing.

Members' Choice Advantage Extras providers are part of our Members' Choice Network and you may enjoy even better value when you need to use eligible extras services at these providers.

It's important to be aware that Medibank's Members' Choice and Members' Choice Advantage Extras providers are subject to change without notice, and are not available in all areas, so please check if they're a Members' Choice or Members' Choice Advantage provider before your treatment or service.
